RE: Emergency Plumbing Services-Collapsed Drain

Dear Ms. Robinson,

Emergent plumbing repairs are required at a large housing unit due to a collapsed drain pipe. I am requesting approval to exceed the \$5,000.00 limit and increase the current purchase order because of the emergent nature of this situation.

This work is necessary to address and prevent potential serious health and welfare concerns, protect facility property, and resolve critical sanitation issues affecting the inmate population.

Thank you,

Respectfully,

Nena Sisler  
Correctional Services Director
